

## LSHS STUDENT PARKING PROCEDURES

Students please follow instructions listed below for student parking privileges:

- A parking registration form can be obtained [here](#) or at the JROTC office. The form must be completed and signed by your parent or guardian. Parking cost for the school year is \$30.00. The cost is \$25.00 if you are a returning student and turn-in your old decal. A parking decal must be purchased immediately upon driving to school and not later than 30 days after school begins.
- Parking decals may be purchased from the JROTC office between 7:45am – 8:15am; anytime during student lunch; or after school between 3:30pm – 4:00pm. Parents may purchase decals for students at anytime during the school day.
- Student drivers not in compliance with purchasing a parking decal may result in receiving a fine, loss of driving privileges/administrative action, and their vehicle being towed at owner's expense.
- Student drivers must display their parking decals and park in the front parking lot only, behind the numbered spaces. The back parking lot and Freshman Academy lot are parking spaces for faculty and administration personnel only.
- Students must coordinate with JROTC if driving a car other than the registered vehicle.
